PURCHASE ORDER TERMS & CONDITIONS

The supplier shall acknowledge receipt of the Purchase Order (PO) within two (2) working days.
Payment shall be made as per the mutually agreed payment terms.
The supplier shall deliver the products within the agreed lead time and per the PO specifications.
All payments shall be made via bank transfer to the supplier's designated bank account, as specified in the Proforma Invoice (PI).
The supplier shall ensure that all products comply with the agreed quality standards and specifications.
Any delay in delivery shall be promptly communicated to the buyer in writing.
All products shall be packed appropriately to prevent damage during transportation.
Any discrepancy in quantity, quality, or specifications shall be addressed by the supplier at no additional cost to the buyer.
The supplier shall comply with all applicable laws, regulations, and certification requirements related to the supplied products.
All other terms and conditions shall be governed by the Manufacturing Agreement and Supplier Agreement executed between both parties.
